

ORDER #

PULL TICKET

Quality Firewood & Materials — one order per ticket. This paper follows the box.

barcode — future kiosk

Order

Channel: ☐ EBAY ☐ SHOPIFY

Order date

Print date

SHIP-BY date (from handling promise)

Item

Buyer name (identity only)

SKU / item code

Qty

Item description

Yard location

Box spec (size / est. weight)

Special handling: ☐ FRAGILE ☐ HEAVY ☐ PULL-CONFIRM FIRST

PULL-CONFIRM FIRST = do not buy the shipping label until the item is confirmed in hand.

Stage Gates — initial at the moment each step is done

ONE order on the packing table at a time. Match ticket = slip = label — read the order number off all three — BEFORE the box is taped.

1 PULLED item found, moved to staging	2 PACKED slip in box, item verified	3 LABELED label matched, box sealed	4 ENTERED tracking entered in channel
Initials:	Initials:	Initials:	Initials:
Time:	Time:	Time:	Time:

Exception — goes to the red tray, never the completed tray

☐ NOT FOUND ☐ DAMAGED AT PULL ☐ SHORT

Exception note — what happened, and the office decision (cancel / substitute / re-pull). Void the unused label.

Office Use — completed by the office manager at entry

Tracking number (written at entry — this filed ticket is the proof of ship date)

Filed (week folder / date)
