Deposit And Payment Terms

Office: set the blank policy items in this section once, then copy the sheet — every customer gets the same terms.

Deposit rate (% of total) — office sets _____ Deposit paid today (\$) _____ Balance owing after deposit (\$) _____

Your deposit is nonrefundable. The deposit is what takes these items off the yard and holds them for you. We tag them, set them aside, and stop selling them to anyone else. That is why we keep the deposit if the layaway does not go through. We do not order or hold anything until the deposit is paid.

The items stay ours until the balance is paid in full. You may pick them up the day the last payment clears.

Payment amount each time (\$) _____ First payment due (date) _____ PICK UP BY (final date) _____

How often you pay: ☐ Weekly ☐ Every two weeks ☐ Monthly ☐ Other: _____

Layaway must be paid in full within this many days (office sets this term): _____

Pay in person at the yard, or call the office at (575) 522-2852 to pay by card. Ask for a receipt every time — and keep it with this sheet.

Where Your Items Are Held

Yard staff: tag every piece and note the spot before the customer leaves. A tagged item is not for sale.

Your items are tagged with your layaway number and held at our yard, outdoors, the same as the rest of our stock.

Tag # on the items

Where held (yard location / bay / shelf)

Tagged by (initials)

☐ Tag attached to every item listed on page 1

☐ Item marked as held in the store system

Payment Record

Write every payment here at the counter, in front of the customer, and fill the new balance the same minute.

If The Payments Stop

Office: fill the two blanks and mark one box below before the customer signs.

Days with no payment before the account closes

Store credit period in days (if store credit applies)

We would rather work something out than lose you — if money gets tight, call us before the account goes quiet. A missed payment gets a call and an email from us. If we hear nothing for the number of days shown above, or the items are not picked up by the final date on page 1, the layaway is closed: the items go back out for sale and the deposit is kept. Payments beyond the deposit are handled this way:

- ☐ Kept by the store
- ☐ Issued to you as store credit for the period shown above
- ☐ Other:

Signatures

I have read this agreement. I know what I paid today, what I still owe, when I must pick up my items, and what happens if I stop paying. I received a copy of this sheet.
